DOMINION ORDERS IN COUNCIL

P.C. No. 1365.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY THE DEPUTY OF HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 15TH JULY, 1927.

THE Committee of the Privy Council have had before them a report, dated 30th June, 1927, from the Right Honourable W. L. Mackenzie King, for the Minister of the Interior, stating that by Order in Council of the 18th June, 1925, the Abernethy-Lougheed Logging Company, Limited, which is conducting extensive operations in the vicinity of Stave Lake, in the Railway Belt, in the Province of British Columbia, was granted permission to export certain cedar timber for a period of six months; that owing to the congested state of the cedar timber market several extensions of time have been granted by Orders in Council to the aforementioned Company to continue exporting, the last extension having been authorized by Order in Council dated the 22nd January, 1927, for a period of six months, and whereby the timber exported was subject to the payment of dues at \$2.50 per thousand feet B.M. on logs grading No. 1, \$2 per thousand feet B.M. on logs grading No. 2, and \$1.50 per thousand feet B.M. on logs grading No. 3, which dues are in excess of those charged under the regulations governing the disposal of timber cut from licence berths on Dominion lands.

The Minister observes that it has been represented that, although all logs exported were widely advertised no offers whatever were received; that the Company logged a large quantity of very small cedar in preparation for the Japanese market, but were delayed considerably this spring on account of weather conditions; that before the Company could place its product on the market a moratorium went into effect in Japan, and that in the home market all other grades of cedar are badly congested.

The Minister, believing it to be in the public interest, therefore, recommends that a further extension of six months be granted the Company to export cedar logs, subject to the payment of dues as authorized by Order in Council of the 22nd January, 1927, the operations to be subject to such conditions as he may determine, the local mills to be first given an opportunity of acquiring any portion of the cut that may be required for manufacturing locally.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) G. G. KEZAR,
Assistant Clerk of the Privy Council.
To the Honourable
The Minister of the Interior.

And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published*. 78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in

Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee or Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.
